

TWIT- TWOO YEAR 3

Hello again Year 3,

I thought I would check in with you all again just to say 'hello'. I have heard that some new children have joined Year 3. I met William during the first week back and I hope he has settled down well. Hello to Amelia and Nathan who have joined recently. I hope you will all be happy at St Mary's.

I loved seeing you all on twitter using your finger lights to find key information in a text. What an exciting way to do your work!

I also want to say 'well done' to all the children who have already

been awarded 'Shining Star' certificates. 🙌😊 I have been reading the newsletter each week to see who has been working hard. Keep up the good work and if you haven't had a certificate yet then, I'm sure, if you keep trying your best, your turn will soon come.

Thank you for the letters and cards I have already received from some of you (hopefully you will have received my replies by now). It was lovely to hear and read what you've been up to, the letters really brightened up my day.

Are you enjoying reading Paddington 🧐 and studying Ancient Egypt? 🏛️

I think the History man will be visiting you again very soon. 🧑🏫 That will be really exciting as he has lots of artefacts for you to explore and he will give you lots of information about the Egyptians. Do you remember when he visited us in Year 2 and what he was then? We were very lucky that he visited us just before lock down.

Take care, work hard, always do your best and have fun.

I'll write again soon.

Love from Mrs Scard x
