

Year 5 had a great day out at the Anglican Cathedral in Liverpool last Friday 2nd July. They toured the incredible building (the 5th largest Cathedral in the world!) and visited the 'Peace Doves' installation where over 18,000 paper doves are suspended from the ceiling by 15.5 miles of ribbon. They contain messages of peace, hope and love, written by school children and people from around the region.

After lunch, the children took part in a stained glass workshop and a short service of prayer and thanksgiving before returning to school.

The children were a credit to St.Mary's and it was a pleasure to take them.

Our Reception Class children thoroughly enjoyed their trip to Farmer Ted's on Tuesday.

On Thursday, Year 3 enjoyed a Stone Age themed day of fun in our wonderful Forest School area.

We made Woolly Mammoth sculptures from natural materials, used Neolithic tracking signs to lay trails for our friends to find our Woolly Mammoths and sculpted our own Stone Age jewellery. We also enjoyed listening to stone age stories, making our own cave paintings and we had a special picnic lunch under the trees.

The children were all superstars and showed real resilience after our trip out had to be cancelled at short notice.

Well done Year 3!

As restrictions are due to be lifted, Eccleston Parish Church have asked us to share the following:-

We are holding an informal event at St Mary's Parish Church on 31 July and again on 21 August from 3.30pm with music, show tunes and jazz.

Refreshments will be available and all being well perhaps a little something on the fizzy side too. There will also be a few stalls including a bottle tombola.

We are aiming for something nice and informal and all being well, if the weather is kind it will be outside - we are hoping that it should be a nice event for people to have a wander down to and mingle with family and perhaps friends they haven't even met yet.

We said goodbye to Reverend Tony yesterday. Reverend Tony will be missed by all of us and we thank him for visiting us for Worship on many occasions during his time at Eccleston Methodist Church.

# ONLINE FAIR PLAY

## The Dos and Don'ts of Online Conduct

Alongside individual skill, impressive teamwork and some truly epic matches, one of the most enjoyable things about this summer's European football championships has been the sense of sportsmanship and fair play. Players have competed fiercely, but they've (mostly) remembered that they're representing their country – and that bad behaviour, dangerous play or outright cheating tends to last in people's memories for a long time after tournaments are over. The same is true of how we act online – one error of judgement or loss of control might only take a second, but can have results that are difficult to forget. Instead, just like the heroes of the Euros, we should aim for people to see us and feel proud and inspired. So, in a five-a-side line-up (with five "dos" and five "don'ts"), here are our top tips for playing fair online.

### FAIR PLAY

#### 1 Organise your defence

Use strong passwords to protect your personal information, accounts and data. A trusted adult, like a teacher or a relative, can help you choose one that's easy for you to remember but hard for anyone else to guess.

#### 2 Keep possession

Only share personal information online with people you know well, like friends and family. A trusted adult will be able to help you change your online privacy settings so strangers can't find things out about you.

#### 3 Use teamwork

Before you use a device for the first time or download a new app, always check with a trusted adult. They'll be able to check if it's safe for you to use and make sure the privacy settings are right for you.

#### 4 Be respectful

Treat people online like you would treat them in real life. Remember your manners and be polite and kind in your posts, comments and messages.

#### 5 Catch attackers offside

If someone is trying to bully you online, a trusted adult can help you to gather evidence and report that person to the authorities. You should also tell a trusted adult if you see anything online that makes you feel worried, upset, frightened or sad.

### FOUL PLAY

#### 1 Don't ignore possible danger

Never accept a friend request from a stranger. If somebody you don't know tries to contact you online, tell a trusted adult straight away.

#### 2 Don't lose control & retaliate

Although it can be tempting, it's best not to respond if someone attempts to bully you online or sends you hurtful messages. Tell a trusted adult what happened, and then block the person from contacting you again in future.

#### 3 Don't hurt people deliberately

It's important to behave online just like you would in real life. Don't post anything that can make you look like a bad person, because the things we put online can stay there for a long time.

#### 4 Don't cheat your way to victory

Don't copy another person's work that you found online or pretend that it's yours. This is called plagiarism and can get you into a lot of trouble.

#### 5 Don't play for extra time

It can be easy to spend too much time online. Instead, take a break to go outside for some fresh air and exercise. Not using your device just before bed will also help you get a good night's sleep so you can be fresh and focused the next day.
